Chief, D/I

Letter of Appreciation

1. I would like to express my appreciation for the briefing you provided to my Branch Chiefs and myself on Monday, March 7, 1955.

2. To some of these Branch Chiefs, this was entirely new and to me and several others, it brought us up to date on the scope of your activities and a better understanding of how your work can be most useful to us.

3. Would you extend our thanks, please, to those of your staff who did such a fine job in giving us this better understanding of your operation.
